CORRECT WORDING FOR QUALIFIERS

The two highest placed exhibits not already qualified will qualify for the Rescue Equine Society Final to be held at Equifest, Arena UK, Grantham, Lincolnshire on the 1st – 4th August 2024.

1. OPEN IN HAND

Open in Hand: Any age, type, breed. Mares with foal at foot are not permitted. No exhibit under the age of one year may be exhibited on its own.

2. OPEN RIDDEN

Open Ridden: Any type or breed, four years of age and over. Can include Lead Rein and First Ridden (will not be included in the initial go-round). All riders must be the appropriate height / weight for their equine.

Definition of Rescue:

1. Any equine that is adopted, fostered, under a guardianship scheme from any National Equine Welfare Council registered Charity (NEWC).
2. Any equine that has been adopted, fostered, under a guardianship scheme from any other equine charity (must be registered with the Charity Commission).
3. Any equine that has been 'independently' rescued by an individual. There must be supporting evidence (photographic, veterinary) that will be included in the 'Rescue History' for the equine, to demonstrate their rescue status.

Mark System:

The mark system is designed to reward those equines that have the strongest rescue history and most dramatic 'transformation'. Marks are awarded as follows:

Rescue History and Transformation - 60%

Performance - 40%

In the event of a tie, the Rescue History and Transformation takes precedence. All entries are asked to provide, on entry to the class, a written 'Rescue History', detailing the background and history of the equine. Also, to be included are 'before' and 'after' photographs. This will be for the Judge to discuss with the competitor during the Judging of the Class and marks awarded accordingly. (A template for the layout for this Rescue History can be found on the Rescue Equine Showing Society website).

Judges:

We fully appreciate that Shows need to be able to utilise Judges as efficiently as possible to make costs manageable. However, we are very conscious that welfare and transparency of those officiating Rescue Classes is of great importance, as is an understanding that many of the competitors are very likely to be new to competition and most equines will be novices. Due to the Mark System and the emphasis on the 'Rescue History and Transformation' ideally, due to time, it is more efficient to have two Judges, one for each mark section. However, we appreciate that at this stage it is hard to predict class sizes and initially it

should be manageable for one Judge. RESS have drawn up a provisional Judges list, which covers the UK, but if a Show has arranged Judge's for forthcoming Shows we are happy to discuss who they already have officiating. We also have a very good Committee, many of whom are established Judges and are happy to assist if required.

Rule Book and Judges / Stewards Guidelines:

A rule book and guidelines will be provided to any Show's that affiliate. These will also be provided to Judges.

Mark Sheets:

Mark Sheets will be provided to affiliated Shows.

Rosettes:

Qualifying Rosettes will be provided to affiliated Shows (not class rosettes).
